Sunita had been staying with her good friend Deepa and Deepa's newly widowed father for a week...

And where do you think you're going, father?

Ah, Deepa, my daughter

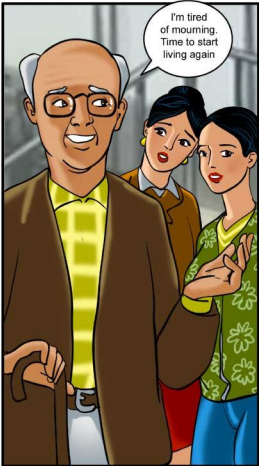

I was not expecting you at this hour

My editor canceled a lunch meeting at the last minute. I came to check up on you

And Deepa was both amazed and grateful at the change in her depressed father since the visit

Deepa! Just in time to join us on our walk

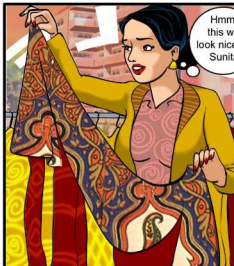

A walk? Outside!?! How did you talk him into that, Sunita

Sunita is a miracle worker. I could barely get Father to leave his room

Seeing all these young lovers is making me horny

Don't you dare take out your penis! Someone will call the zoo to come get their loose elephant!

Father looks so happy. There's a twinkle in his eye...

Good, the monster still slumbers

My eyes must be playing tricks on me. I could swear that Sunita just...

Are you finding everything to your liking?

O-oh, yes. I'll take this scarf. Wrap it for me please

Certainly

Impossible. How could I even think that?

Later, back at home

"For dearest Sunita. Thanks for everything"

Oh my, what has Uncle Shom done now?

I have to hide it before Deepa sees it!

Oh, and one more thing...

Oh, no.  
She suspects something...

Supper was delicious yet again.  
I ate so much I could doze off right now

Whew!

The spices will give you sweet dreams,  
I promise

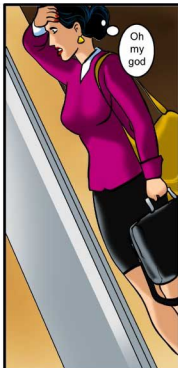

The next morning...

Oh, Uncle Shom. Such a sweet, thoughtful man

Of all things! To forget my laptop

Now I have to book another train as well!

Where is everybody?

I think I'm going to be sick

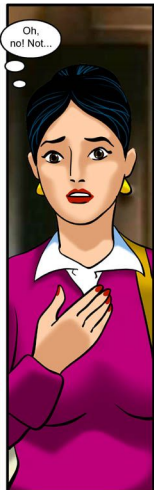

This is for the scarf, Uncle Shom. It's lovely

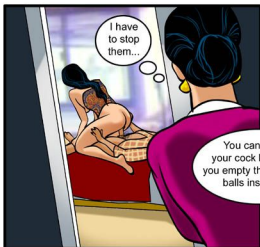

What is this silly girl talking about?

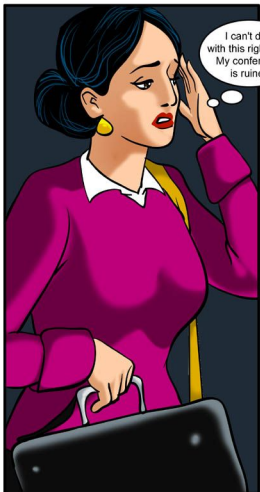

I've got to do something. But I'm so late already

You can't have your cock back until you empty these cricket balls inside me

What? Uh,  
it was nothing

Don't  
stop moving!

I'm  
cumming!

Did  
you hear  
that?

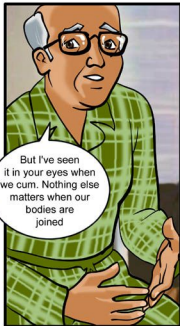

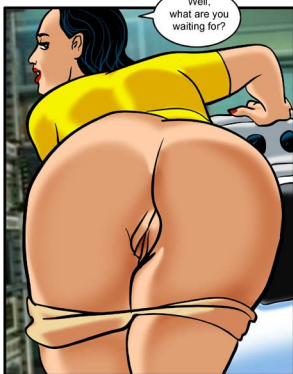

Uncle!  
I can feel the  
contractions  
as you cum

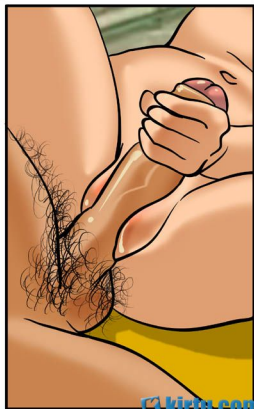

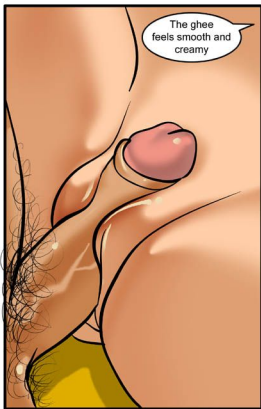

Is she!?!

Don't stop, Sunita

Oh god, that feels...

What's happening?  
It's like my pussy  
has it's own mind,  
and...
